A comically expressive tot pats tribute to the all-important BINKY in a bright, playful board book sure to have instant toddler appeal. Anyone who's spent time with a toddler knows that few crises compare with the (even temporary) loss of a favorite binky. Here, in her humorous, bold graphic style, Leslie Patricelli plays up a scenario near and dear to every toddler's heart, raising the plaintive question: can there be any peace in the house when a beloved binky is not to be found?

San Diego in the years before World War II. James Dillon is barely scraping by working a menial job in manufacturing, trying to raise a family and support his elderly mother and sister Frankie at the same time. He drinks too hard -- just like his father and nearly everyone in his extended family. With so many people crammed into one home, sometimes there's so much fighting he can barely stand it. But if James can survive the chaos of everyday life long enough, maybe -- just maybe -- there's a chance it'll all get better. Now and on Earth. Jim Thompson's first novel, draws on personal experience to depict a hardscrabble life in the sun-soaked streets of mid-20th century California. Chronicling the birth of a writer and the plight of the working man, it prefigures the American classics that followed, in a deeply-felt, autobiographical tale that shows a writer just coming into his own.

China's infamous death penalty record is the product of firm Party-state control and policy-setting. Though during the 1980s and 1990s, the Party's emphasis was on "kill many," in the 2000s the direction of policy began to move toward "kill fewer." The Supreme Court has served as an increasingly powerful counterweight in recent years, contributing to the mollification of Party policy. This book details the policies, institutions, and story behind the reform of the death penalty over the last three decades.

Jamison Matthews has lusted after Ryder Montgomery since she was a preteen. But now that Ryder and her brother's band, Shaken Dirty, has made it huge, she's just one of many pining for the brooding lead singer. Too bad Ryder still sees her as a little sister. Not that it matters. Her brother would never allow it, and the last thing Jamison wants is to be another notch on a rock star's bed post. Even if it's Ryder's. Ryder doesn't deserve happiness. After his fame destroyed his last girlfriend, he swore he'd never fall in love again. So when Jamison, the girl he's been in love for years, joins the band on the road, he'll do anything to deny the sparks between them--even after one hot night together. But Jamison is determined to show Ryder that he's worthy of love--her love--and that she's all grown up and ready to play. She ' s totally off-limits, but this rocker wants a taste... Series order: Shaken Dirty Book 1: Crash Into Me Shaken Dirty Book 2: Drive Me Crazy Shaken Dirty Book 3: Fade Into You

The Billionaire ' s New Assistant: Part 1 -- the first part in the long-running series that ' s a little fantasy, a little contemporary, a little billionaire and hot as hade!
