Health, I felt that my anxiety was largely due to my negative preconceptions about mental illness especially my belief that mentally ill people are violent, unpredictable, and dangerous.

## Reflection On Mental Health - 802 Words | Bartleby

Introduction. This essay is a reflective examination of a care episode in the domain of mental health nursing, in relation to the processes of nursing decision making, clinical reasoning, and processes associated with patient care planning and management. The reflection on elements or aspects of care, or on specific clinical experiences, is an important part of nurse development and ongoing professional practice (Rolfe, 2005).
