When 12-year-old AI Chaudry learns there is a time machine, made by his father, sitting in the garage of his old house, he has to go and get it - doesn't he? Then he can travel back in time and save his father's life. With his pet hamster Alan Shearer for company, AI is determined to follow his dad's instructions.

Time Travelling with a Hamster | BookTrust  
Heat can be dangerous, so avoid putting your hamster around drafts or heaters, as well as direct sunlight. It is best to travel early or late in the day to avoid heat, if you travel in a hot area. If you are staying at hotel or campground, double check that pets are welcome. Do not let the cage move or bump around a lot.
